Welcome Cattle Producers,

We would like to invite you to the ranch to view the Hereford bulls and F1 Black Baldy replacement females that we will offer in our 64th Annual Production Sale. This past year has been challenging marketing year, due to the uncertainty with Covid-19. The bottom line is being stretched so thin these days. Hereford sired cattle provide efficiency and longevity as well as carcass merit. Hereford bulls provide so many traits that just don't come through on EPD's, like libido, adaptability, fertility, and docility.

Again, this year we will be offering our home-raised F1 Black Baldy replacement heifers. These heifers will be the top end and are extremely fancy. They have been through the working chute several times to be screened for disposition. All the twins have been removed. They will be Bangs vaccinated. They will all make excellent brood cows.

This set of bulls is our best ever, from the first to last. We feel that every bull offered for sale is good enough that we would use it in our operation. In our program, we put an emphasis on quality, trouble-free females with length, muscle, good disposition, sound feet & legs, good hair, and excellent bags. These bulls are an extension of that program.

We believe bulls that aren't fed hard, but have the opportunity to grow, will have longevity. The bulls were never creep fed. We feel that not creep feeding allows the best opportunity for evaluating the cows. They were raised on a high roughage ration then turned out on grass for the summer as yearlings.

Our auction will be the same as last year. There will not be a sale order and we will be using a horse race style format. We know that it may be new to some, but we feel that not being restricted by a sale order will benefit our customers. How often have you said, "Who made this sale order anyway?" The bidding will still occur over a several day time-frame, which gives our customers more time to compare the bulls. You can come view the bulls at your convenience. If anyone does not feel comfortable with the bidding format, please let us know and we will have help available.

Thank you, The Jerry Knippling Family

2	Aggressive if cornered
3	Somewhere between a 2 and a 4
4	Nervous, but not aggressive
5	Can hold in corner, but if you give him an opening, he will leave
6	Can hold in corner and he will stand quietly
7	Can grab by horn and turn them around
8	You can walk them around with your hand on hip
9	You can scratch them, very quiet
10	Likes to be scratched

R 0141 NORTH STAR 50B - #43495965

CED: +4.7 BW: 2.2 WW: 63 YW: 115 M: 36 MG: 67

50B was the top selling bull in Ridder's 2016 sale, out of one of their top cows. He has it all, great carcass, moderate birth weights, great disposition, longevity, exceptional females, explosive growth, and unmatched depth and thickness. Most of all he knows what his job is, siring 45 calves naturally his first year.

R 4067 NORTH STAR 29D (STAR POWER) - #43704582

CED: -3.3 BW: 6.1 WW: 69 YW: 114 M: 31 MG: 65

29D was our pick in Ridder's 2017 sale. 29D is a true POWERHOUSE, siring unmatched depth and muscle. The females look like they will make top end cows. He is going to be a true foundation sire.

CED: +6.9 BW: 0.7 WW: 53 YW: 87 M: 31 MG: 57
