

MILLAR Angus

Wednesday 1:30pm
February 15TH 2023
At the Ranch · Sturgis, SD

Welcome to the 22nd Annual Millar Angus Bull Sale

Whether you're one of our repeat customers, neighbors and friends or if you're considering Millar Angus genetics for the first time, we thank you! We invite you to be our guest on February 15th.

When it comes to the family, it's never a dull moment around our household! Kids and cows seem to keep us busy. Ryle (16) would describe his perfect day as helping around the ranch, caring for his cattle and sheep followed by a little team roping. Kobi (13) loves to spend time beading, hanging with friends, playing volleyball and chooses rodeo as her favorite sport. We all find a little time to do some team roping with the family, throw in some auctioneering for Jon and chase the kids around to rodeos and that sums up our "free time".

Looking toward the ranch side of things...2022 had it's challenges with another dry year. We feel fortunate to have put together some feed to help us get through the winter. Like so many in the area, we were hit with some major snow the end of the year, but we kept telling ourselves it will help things get a start this spring. As we all know, the cattle industry comes with it's ups and downs. One thing we've tried to focus on over the years is control what we're able to. With that being said...quality typically sells. It excites us when we visit with past customers who have seen an increase in weaning weights off the cow and in the feedlot. Expenses never seem to go down, so our goal has always been to produce cattle that will help your herd be as economical and profitable as possible.

All of our bulls have been raised with the rancher in mind: natural growth bred in, not fed on. If you're needing a bull to cover a little more country one of our two-year-olds should fit the bill. They are from our 2021 calf crop and have never before been offered for sale. All the bulls have been bred to add performance, length, thickness, carcass qualities and maternal strengths to your herd.

As always, we will keep the bulls until April and deliver them, free of charge. The bulls will be semen tested in March with scrotal measurements available sale day. All bulls sell **FULLY GUARANTEED** for the first breeding season with your satisfaction being our #1 priority. We invite you to stop by to view the bulls and the cowherd that produced them. We always love to talk cattle!

Jon & Breazy

Wednesday **1:30pm**
February 15TH 2023
At the Ranch • Sturgis, SD

Contact Info:

Jon & Breezy Millar • (605) 347-0553
20042 145th Avenue, Sturgis, SD 57785

Auctioneer: Doug Dietterle, (605) 788-2963

Sale Day Phone:

Jon: (605) 347-0553 or Breezy: (605) 347-0402

Sale Day Representatives:

Cattle Business Weekly: Ryan Casteel, (605) 423-6000
Tri-State Livestock News: Dan Piroutek, (605) 685-4556

Super 8, (605) 347-4447

Videos online at: www.millarangus.com

Catalog & Print Media Design:

Branding Impressions Design, 605-347-0402

Complimentary lunch sale day.

Guarantee:

Bulls guaranteed 100% for the first breeding season.

Herd Health:

We pasture weaned the bulls on September 6th.
The bulls were transitioned over to a mixed ration of sorghum silage, ground hay, earlage and protein supplement where we targeted a 3.25 lb/day gain.
We like to keep the bulls on a high roughage diet and grow them out to ensure sound feet, legs and longevity of the bulls.

Branding: Vista Once • Vision 7 with Somubac
Injectable Dectomax

Weaning: Vista Once • Vision 7 with Somubac
Express 5 • Poured with Ivomec
SafeGuard Dewormer

Spring Turn-Out: Preg Guard Gold 10
2 Footrot Shots • Poured with Ivomec

Bulls will be SEMEN TESTED and SCROTAL MEASURED.
FREE DELIVERY on bulls to adjoining states.
FREE KEEP until April.

Terms: The terms of the sale are cash or check payable at the sale facility unless satisfactory credit arrangements have been made prior to the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released. **Bids:** Every animal is to be sold and will be sold. No by-bidding is permitted. The highest bidder is the buyer. **Disputes:** In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters is final. **Announcements:** Errors discovered in the catalog will be corrected by announcements from the auction stand at sale time and will take precedence over the printed material in the catalog. **Accidents & Liabilities:** All persons attend the sale at their own risk and the seller and sales management assume no liability, legal or otherwise, for any accidents occurring in, on, or about the premises. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Bid Online!
If you are unable to attend the sale,
you can register to watch or bid
online through The Livestock Link
by following these instructions:

The Livestock Link™
Videoing • Video Sales • Clerking
• Bid-by-Click Online Sales

- Visit our website, www.thelivestocklink.com
- Click the "Online Auctions" tab
- Click on "Click Here to Register"
- Enter your e-mail address and password, and fill out all your contact information
- Fill out your Banking Information. If you are only viewing the sale and do not wish to bid, this information can be left blank.
- Check the checkbox at the bottom of the page that says "I'm not a robot" to prove you are a real person
- Click "Register" at the bottom of the page
- You will receive an email with a link to activate your account.
- **Please register to bid at least 24 hours in advance of the sale.**
- Contact Aaron Friedt at (701) 590-9597 for help or with any questions.

You will receive an email when you are approved for bidding. All applications will be reviewed and processed promptly. You will receive a bidder number only after you have made a purchase in the sale, and that number will only be used at that sale. When the sale is completed, please contact the sale owner or manager for instructions of payment and delivery of your purchase.

To use our service, you must have access to High Speed Internet.

Duke's calves come easy with great vigor and smash the scales at weaning time. His daughters are truly maternal - calm dispositions, great mothering ability, excellent udder design and highly productive! Duke will take your program to new heights. He is a true Herd Bull - consistent in his ability to add quality to his offspring with added length, volume, calving ease, growth, maternal power and fertility - all with super quiet attitudes!

WE PUT A STRONG EMPHASIS ON THE MAMA COW

We may be in the bull business, but we know it starts with the mama cow... you've got to have a good factory! For a cow to stay in our herd she needs to be efficient and functional, raising a big calf with consistent breed back year after year. Here is a look at the 75 cows that are working in our herd today that have earned Pathfinder status.

The Pathfinder Angus program was started in 1978 in an effort to identify superior cows in the breed based on their records of performance from Angus Herd Improvement Records (AHIR). In identifying these superior cows, emphasis was placed on early puberty, breeding and early calving, followed by regularity of calving and above-average performance of the offspring.

The Pathfinder Report requires a minimum of three calves from a cow to determine her regularity of calving and ability to produce superior calves for weaning weight. In addition, an important part of the report is the list of bulls that have sired five or more qualifying females.

The Angus Pathfinder Report identifies cows that have excelled in production based on AHIR records of performance. To qualify for the report, a cow must have produced a calf measured through AHIR in the past 18 months.

Millars Queen Lass 5273 is a Pathfinder cow that represents one of our very best cow families. She holds a weaning production record of 5@114 and a yearling production record of 5@114. We are currently flushing this powerful donor.

- Retaining 1/3 semen interest in lots 33 & 34.
- Pathfinder dam's weaning production 5@114
- Granddam's weaning production 4@109
- Pathfinder great-granddam's weaning production 8@107
- This trio of flush brothers are out of the great donor cow 5273 (dam of Duke) and are the type and kind we strive to raise. Thick, deep and phenotypically correct on a great set of feet and legs. With the influence of Renown and the strong maternal characteristics of 5273, these sons should produce some great females! We would like to retain the right to collect some semen.
