Welcome to the 2020 edition of Mohican West & Guest

General Information

Directions

24 Miles west of Billings, MT. on I-90 to Exit 426, then 1 mile south thru Park City to T (Cemetery Road) then 3 miles (left) east to Sportsman Park Road then right to Mohican West.

Air Travel

Logan International Airport, Billings, MT. is served by Delta, Frontier and United. Located about 1 hour from the ranch.

Terms: Cash or check unless prior arrangements are made with the owners.

Registration Certificates: Certificates of registration are all in order and will be transferred to the new owner according to instructions given the clerks.

AI Certificates: Any female that is mated to an AI sire that is not owned by the seller will not have an AI certificate furnished.

Insurance: Insurance will be available through Harding and Harding. Please see the sale cashier for your insurance needs.

EPD'S: EPDs are updated regularly by the AHA, so we cannot guarantee the EPD's listed in the catalog. The EPDs are from the August 2020 Evaluation of the American Hereford Association.

Health: Proper health papers will be available.

Lunch: Lunch will be available sale day.

Trucking: Trucking will be at cost to buyer to central points. Buyer responsible for pickup from central points.

Bids: The auctioneer in charge will have final say in regard to all final bids. We hope everyone can attend, but those who cannot may mail or call bids to either of the sale managers or any of the representatives.

Catalog: Statements made from the auction box take precedence over printed material in this catalog.

- (DLF, HYF, IEF, MSUDF)
- We have been impressed by Sure Fire since birth and selected him to use on our heifers.
- His EPD profile is awesome, he is cosmetically just right, his sire is proving to be a super breeding individual and his dam was our selection from Churchill Cattle Co..
- He puts it all together.

- Sired by our Red Power son that we purchased to use on heifers. This lady will always be easy to spot in the pasture with her dark color and pigment.

Once again, MCMURRY CATTLE extends a welcome to any and all who are able to participate in this annual event. We would like to thank the Stitzlein family and Terry Powsland for Mohican West's hospitality and for including us in the sale. Given special 2020 circumstances, we especially appreciate the fact that individuals supporting this sale have made significant travel commitments and taken on possible risk. We value the efforts made by all who are able to support this sale. Thank you.

Females in our sale offering are young and will offer fresh genetics for many breeding programs. We are particularly pleased to offer service of Square-D 42S Progress 323Y, one of the most unique sires we have encountered. His soundness at age 9 years is remarkable. He is a breed average BW Super Duty 42S son with high accuracy.

We will do whatever we can to make this sale work for you. Stay healthy and call or email if we can be of assistance.

- BW 92# unassisted.
- Dark red, short marked and fully pigmented. Calving ease and fertility here.
- This is a definite herd sire prospect. He brings reliable maternal outcross genetics from one of the great breeding programs in Canada. He strongly resembles his powerful, well marked sire, NJW ENDURE 173D.

- We attended the Wascana dispersal and were struck by the athletic quality and soundness of this nine year old proven sire. He is a Super Duty 42S son with average BW after multiple calf crops. His disposition is wonderful and he is an effective pasture sire. He simply defies his age. Semen quality is excellent.
- He is moderate in size and will maintain good condition. He is well marked with good pigment. His daughters were mainstay females in the Wascana herd. We anticipate added volume, good structure, added fertility, strong maternal qualities, added capacity and more.
- Certainly no bull is perfect, but we think this sire will do many things right while maintaining reasonable BW and calving ease. Owned with NJW.
- Homozygous polled.
