

Mohican West & Guests Production Sale

**SUNDAY,
SEPTEMBER 17, 2023**

LAUREL, MONT.

MW Mohican West

3100 Sportsman Park Rd.
LAUREL, MONTANA 59044

Mohican Farms

Conard and Nancy Stitzlein, Owners

4551 State Rte. 514
Glenmont, OH 44628
Tel 330-378-3421
Fax 330-378-3501

General Information

Directions

24 miles west of Billings, MT on I-90 to Exit 426,
then 1 mile south through Park City to T (Cemetery Road)
then 3 miles (left) east to Sportsman Park Road, then right
to Mohican West.

Air Travel

Logan International Airport, Billings, Mont., is served by Delta,
American and United. Located about one hour from the ranch.

Hotels

Rooms are available at:

Best Western: Yellowstone Crossing, Laurel, Mont.
Ph. 406-628-6888

Fairfield Inn: Laurel, Mont.
Ph. 406-743-7100

Other hotels available nearby at Billings, Mont.

Terms: Cash or check unless prior arrangements are made with the owners.

Registration Certificates: Certificates of registration are all in order and will be transferred to the new owner according to instructions given the clerks.

AI Certificates: Any female that is mated to an AI sire that is not owned by the seller will not have an AI certificate furnished.

Insurance: Insurance will be available.

EPDs: EPDs are updated weekly by the AHA, and we cannot guarantee the EPDs listed in the catalog. The EPDs are current from the Aug. 2, 2023 Evaluation of the American Hereford Association.

Health: Proper health papers will be available.

Lunch: Lunch will be available sale day.

Trucking: Trucking will be at cost to buyer to central points. Buyer responsible for pickup from central points.

Bids: The auctioneer in charge will have final say in regard to all final bids. We hope everyone can attend, but those who cannot may mail or call bids to the sale manager or any of the representatives.

Catalog: Statements made from the auction box take precedence over printed material in this catalog.

- Selling ½ interest and ½ possession.
- Homozygous Polled.
- Birthweight 86 lbs.
- Herd bull look in an exceptionally high-quality package.
- His dam is the \$50,000 valued donor that topped our 2022 sale selling ½ interest to McDonald Farms in Michigan. Her cow family is as strong as they get.
- His sire is the widely used and extremely popular Houston.
- Complete package with this guy.

- Reserving the right to 2 (two) future flushes with a minimum of 6 (six) embryos per flush.
- Birthweight 87 lbs.
- Looks like her dam, 96G, who has produced two herd bulls for us and ANL and Brooks Farm in Canada.
- She is the 4th generation of a legendary donor cow family beginning with X395 who built the Roth program in Missouri.
- Rose Garden 4067B has proven her value by producing two \$50,000 daughters in 96G and her full sister who is owned by River Valley and Medonte in Canada. She also has herd sires in multiple purebred herds.
- We feel this young lady has the quality and genetic power to follow in her families' storied footsteps.

- Selling ¾ interest and full possession.
- Homozygous Polled.
- Birthweight 86 lbs.
- It's difficult to walk two full brothers so we elected to sell full possession on this one. Only time will tell which one breeds the best.
- He too has that herd bull look and genetic backing to be a breed leader.

- Unique opportunity to get in on the ground floor as this is one of the first matings to Kool Profit, the 2023 Reserve Champion Polled bull at the National show in OKC.
- As Scott McDonald is our partner on Rose 96G and a partner on Kool Profit, this was a logical mating and something different for us.
- Interesting potential here.

- Birthweight 82 lbs.
- Easy to find, easy to like and easy to want!
- Her dam, 10F, was a feature donor in our 2022 sale selling for \$10,000 to 7 Oaks Plantation and Cattle Co. in Georgia.
- 10F is a maternal sister to NJW 139C 103C Ridge 254G who is a leading AI sire from the NJW program.
- The Houston calves are at the top of the list most anywhere he has been used and this one is a prime example of why.

- We are in love with this young donor, Vaca 0103. She is as functional and good uddered as one can find. Her maternal strength based on cow families ranks at the top of the chart. 160B, 135U, 34S, 80L and 12E all have had a monumental impact on the NJW program.
- Bar JZ On Demand is the \$50,000 exciting young sire that was selected by Hoffman and Genex out of the Bar JZ 2023 sale. We feel he is one of the very good up-and-coming herd bulls of the breed.
- Early opportunity to cash in on this powerful genetic mating.

- Birthweight 80 lbs.
- It's difficult not to love this beautifully constructed cow prospect with such a feminine look.
- She has that broody cow look in a stout, growthy package.
- As good as Houston appears coupled with the proven cow family on the dam's side this one should have history making potential.
- A full brother to her dam, 0103, is a herd sire for Cottage Hill Farm in West Virginia, Boyd Beef Cattle and NJB Limited in Kentucky.

- Birthweight 80 lbs.
- One of the standout All Around heifer calves in this year's crop.
- She's about as broody as you can build one.

Lot 34 — MOHICAN CARMEL 38H

BOYD 31Z RITA 7117 ET — Donor Dam of Lots 35, 36 and 37

Lots 35-37:

- What an opportunity to be able to purchase top-end cow prospects out of our prolific donor, Rita 7117, and Durbin Creek's renowned sire, Cowboss 199B. Both sire and dam are breed-leading individuals with proven track records.
- These females have the genetic capability to enhance and advance most any program. Take your pick or take them all.

LOTS 48 - 55

Greetings everyone and welcome to the Mohican West and Guests 2023 sale.

We are pleased to be here again and congratulate our partners for sharing their best.

This year, McMurry Cattle is offering young females from top cow families and we have some embryos to sell.

Our donors are productive females that have worked well in our program. They have good udders and are sound and maintain easily on dryland forages.

Sons of the great donor, BR VALIDATED B413 6035 7098, were used for most of the matings. These embryos should produce top replacement females and herd bull prospects.

Thank you for your interest. Call if we can be of help.

Sincerely,

Fred and Doreen McMurry (Fred's cell: 406 697 4040)

- This WHR Warrior 845C donor was produced by Wooden Shoe Farms and from a Barnes Herefords' dam.
- She has added volume, pigment, power genetics and great structure.
- Her mating to 128J could produce a top bull or donor quality heifer. 128J is a full brother to Red Thunder 133J. Both are out of the great 7098 donor from Birdwell Ranch and Churchill Cattle Co.

- The right kind of female and a productive donor at age 2.
- Daughter of Ellis Farm's carcass Queen and sired by Historic 81E.
- I can only imagine what the Churchill Long Haul 234K mating could produce. He is another son of the famed Birdwell 7098 donor.

- His sire is EF F745 Frank P230 who was the marbling leader for many years in the Hereford breed.
- His dam, 9904, was a productive, beautiful uddered Genetic Explosion daughter that left us some of the most productive cattle we have produced.
- Time tested and proven genetics.

- A heavy pigmented Imperial 4110 daughter out of the Diana cow family. If you want one that will raise big stout calves with few inputs this is your cow.
- 50 years of production and the Diana cow family is still one of our best!
- Pasture exposed from May 15 to Aug. 15, 2023 to DCR 128D Reset 9248.

- A true powerhouse! 0644 calved the first time at 18-months, raised a bull that is walking the pasture here at DCR, and then bred right back for this 8128 heifer.
- Her dam sold in our 2021 offering to Ryan Boner. The Leslie cow family represents generations of hard working, economic DCR females.
- Pasture exposed from May 15 to Aug. 15, 2023 to DCR 128D Reset 9248.

- This one is special! She has tons of style and the prepotency to pass on to her progeny. Check out her awesome 211H heifer calf.
- A Manhattan 428B out of the Lauretta cow family, 9626 has the look, but is truly production driven. She will turn heads!
- AI serviced on June 29, 2023 to Hills-Galore 44Z Resolute 128D, then pasture exposed from July 20 to Aug. 15, 2023 to DCR 128D Reset 9248.

- A couple years ago when we offered the 2 dry donors, 7629 was their pen mate. We decided to keep and use her more in-depth in our operation.
- It doesn't take long in the pasture to see the impact the Diana cow family has had around DCR. Generation after generation they continually rise to the top.
- Our philosophy has always been to focus hard on the consistent, economic cow families and 7629 is the definition of that. She has a lot of time left, put her to work for you!
- Pasture exposed from May 15 to Aug. 15, 2023 to DCR 128D Reset 9248.
