## 67<sup>TH</sup> ANNUAL BULL AND FEMALE SALE

FEBRUARY 17, 2025 · PRESIDENT'S DAY  
AT THE RANCH NEAR HOVEN, SOUTH DAKOTA

## *Fellow Cattlemen,*

Welcome to our 67th Annual Bull and Female Sale! The cattle industry is so humbling, yet rewarding. We are grateful to our customers and friends that have been so good to our family over the years. The cattle business is in exciting times and changing rapidly. High quality cattle are commanding premiums and the fundamentals look to continue driving this market.

We work hard to offer bulls that are rugged and practical so they can go to work anywhere and hold up well. Our balanced, no-nonsense approach has created a genetic base with fertility, longevity, consistency and performance at its core.

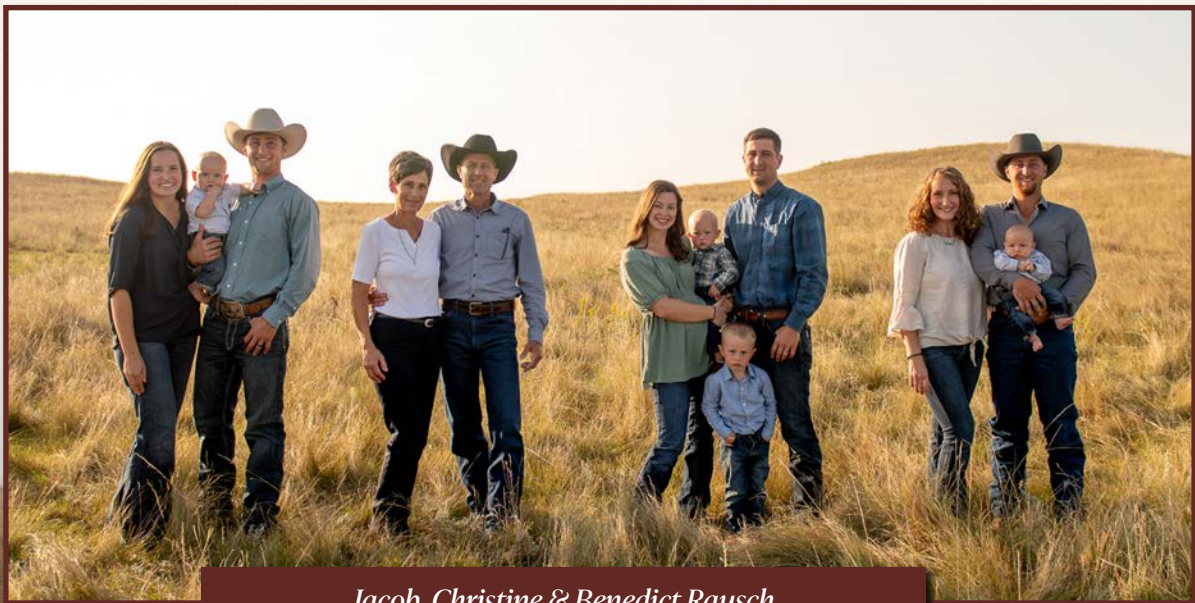

Our offering is backed by females with a track record that speaks for itself. We strive to run our cow herd like any good commercial operation - limited inputs, high expectations. We remain committed to developing Dams of Distinction because efficient, fertile and productive females are the foundation of any successful cow herd.

We're excited to add the fall 18 month old bulls and special fall bred heifers to the sale. Our fall herd started when we purchased part of Gary's herd after his passing. To balance out the increased workload, we spread out our calving window. We will have a lot of high quality fall heifer calves coming down the pipe!

Thank you for your interest in our program. We love what we do and we're excited to share our best offering yet. If you have questions or can't attend the sale, we are happy to help you select bulls and heifers to fit your program. We appreciate your business and hope to see you on sale day!

Sincerely,

*The Rausch Family*

*Jacob, Christine & Benedict Rausch  
Shannon & Sue Rausch  
Michael, Kaitlyn, Luke & Levi Rausch  
Peter, Melinda & James Rausch*

## SCHEDULE OF EVENTS

### Sunday, February 16th

Cattle available for viewing in the afternoon.  
6:00 p.m. Social and supper at Dakota Haus

### Monday, February 17th

8:00 a.m. Cattle available for viewing.  
Coffee and donuts will be served.  
11:00 a.m. Smoked Brisket Lunch  
12:30 p.m. Rausch Herefords Bull & Female Sale

**You're invited to join us at 6 p.m. the evening before the sale for a supper and social at Dakota Haus in Hoven!**

## RANCH ADDRESS

14831 Hereford Rd. Hoven, SD 57450  
2 miles west of Hoven on HWY 20 & 47

## 430 HEAD BULL & FEMALE OFFERING

Sale sells in catalog order. Lots are ordered by age.

65 Spring Yearling Bulls  
25 Fall 18 Month Bulls  
90 Spring Two-Year-Old Bulls  
30 Registered Heifers  
4 Fall Bred Heifers  
220 Commercial Heifers

*Supplement sheet with updated weights and scrotal measurements will be available sale day.*

## LODGING

Blue Valley Motel; Hoven, S.D. 605-948-2500

*\*Ask for the Rausch sale discount.*

Gettysburg Inn & Suites; Gettysburg, S.D. 605-765-2373

Selby Motel; Selby, S.D. 605-649-7979

## INSURANCE

Martin-Trudeau Insurance will be on hand sale day for your livestock insurance needs: 605-996-3106 or 800-450-3106.

## GARY RAUSCH MEMORIAL

In memory of Gary, two \$500 sale credits will be given to youth bidders under 21 years of age. To qualify, you must register for a bid number before the sale begins. Two winning bid numbers will be drawn before the heifers sell. Online and phone bidding applicants will be accepted.

## RAUSCH GUARANTEE

Your satisfaction is very important to us. Bulls have an unconditional first breeding season guarantee. If an injury occurs, please let us know right away. The bull will either be returned at the buyer's expense or sold as salvage. The buyer will receive a replacement bull or credit, minus the salvage value, towards a future purchase. All injured bulls must be diagnosed by a veterinarian.

## TERMS AND CONDITIONS

All cattle sell under the standard terms and conditions of the American Hereford Association. Terms of the sale are cash. Anyone attending this sale attends at their own risk and without liability on the part of the owners or their employees.

IN EARLY  
FEBRUARY!

# WHY RAUSCH BULLS

Rausch bulls are bred to be rugged and durable while making excellent females. As the industry evolves, we recognize the increasing demand for more progressive carcass traits. We feel confident that when searching through our catalog, you will find that a majority of the bulls are competitive on growth and carcass traits while keeping birthweight in check.

## OUR BULLS VS. THE BREED AVERAGE

**90% OF SALE BULLS RANK ABOVE BREED AVERAGE IN GROWTH TRAITS**

*Weaning Weight, Yearling Weight and Milk and Gain.*

**75% OF SALE BULLS RANK ABOVE BREED AVERAGE IN CARCASS TRAITS**

*Marbling and Ribeye.*

**60% OF SALE BULLS RANK BELOW BREED AVERAGE FOR BIRTHWEIGHT**

## RECOGNIZING THE BEST

*Why Dams of Distinction are Crucial to the Success of our Herd*

A cow receiving the Dam of Distinction honor is a cow that meets the highest standards of commercial cattle production. Only a few active cows are recognized. All heifers have the potential to be a Dam of Distinction, but only a small percentage fit the job description of an ideal cow year in and year out. Cows that qualify are signified with “DOD” in their pedigree.

To qualify, a cow must have:

- Produced at least three calves.
- Initially calved at 30 months of age or less.
- 370 day calving intervals (400 day as a heifer).
- Average progeny weaning weight ratio of 105 or higher.

## EPDs

Catalog EPDs were current as of 1/6/2025. Supplement sheets with updated weights and scrotal measurements will be available on the website prior to sale day. All genomically tested animals will have the GE-EPD logo next to their information. If any animals are known carriers of genetic defects, it will be noted in the footnotes. EPD abbreviations are listed below.

**CED:** Calving Ease Direct  
**BW:** Birth Weight  
**WW:** Weaning Weight  
**YW:** Yearling Weight  
**SC:** Scrotal Circumference  
**FERT:** Cow Fertility  
**MILK:** Maternal Milk

**CEM:** Calving Ease Maternal  
**TEAT:** Teat Score  
**UDDR:** Udder Score  
**CARC WT:** Carcass Weight  
**REA:** Ribeye Area  
**MARB:** Marbling

## DELIVERY & WINTERING

We offer free delivery within the continental US to central locations on bulls and females over \$5000. Lots selling for less will be delivered at cost. Transportation of commercial heifers will be worked out between the buyer and seller. Haul your own sale day and receive a \$100 discount per bull and \$50 per registered heifer. If desired, Rausch Herefords will keep them at a cost of \$4/hd/day until they are picked up.

## VOLUME DISCOUNTS

5% discount for 5-9 bulls; 10% off for 10+ bulls purchased.

## RETAINED INTEREST

We will retain 1/3 semen interest on all the sale bulls. The interest retained will not affect your use or schedule.

## MARKETING ASSISTANCE

We'd love to help add value to your cattle at sale time. Simply let us know at least 1-2 weeks in advance of your sale date and we'll do our best to promote them to interested buyers. Give us a call or send us a text/email with the details.

## VACCINATION PROGRAMS

- 6 weeks of age: Inforce 3, OneShot BVD, Ultrachoice 7 & Dectomax pour on
- 3 weeks pre-weaning: Bovi-Shield Gold One Shot, Ultrabac, 7/ Somubac, poured Dectomax
- Weaning: Resvac 4/Somubac, Dectomax injectable
- Pre-sale: Poured with Clean Up II insecticide
- All sale heifers have received Bovi Gold VL5 Pre-Breeding vaccination, BANGS vaccination, and EID tag.

## FERTILITY TESTING

All the fall bulls and two year old bulls selling will have passed a breeding soundness exam prior to sale day. Yearling bulls will be tested after sale day and pass examination before they are delivered.

**Dr. Steph Smith, Veterinarian:** (605) 690-4551

## LOT INFORMATION

- **BW (Birth Weight):** Actual birth weight (lbs).
- **SC (Scrotal Circumference):** Actual scrotal measurements (cm) on December 24, 2024.
- **WWR (Weaning Weight Ratio):** How an animal compares to his contemporaries on weaning weight (percentage).
- **YWR (Yearling Weight Ratio):** How an animal compares to his contemporaries on yearling weight (percentage).
- **Dam's Weaning Weight Ratio:** This shows the number of calves their dam weaned and how those calves ratioed to their contemporaries.
- **BMI\$ (Baldy Maternal Index):** Use this index heavily if you are creating Angus X Hereford replacement females.
- **CHB\$ (Certified Hereford Beef Index):** Use this index heavily if you want to increase the value of your feeder cattle by retained ownership or finishing.

# YEARLING BULLS

R VICTOR 6854  
LOT 64

• Lots 1-65 •

*These bulls represent some of our latest and freshest genetics - many are coming from first calf heifers. These bulls are NOT creep fed. They are grown out well on a high roughage ration but not pushed for maximum gain. By late spring they will be big, strong and ready to go to work!*

# FALL 18-MONTH BULLS

## • Lots 66-90 •

The fall bulls are calved on late summer grass and graze cornstalks all winter with their dams. After weaning, they are slowly developed on summer grass to help ensure longevity. In the fall, they are grown on a high roughage diet to get them ready for heavy service in the spring.

**Homozygous polled.** This powerful, athletic heifer bull offers an intriguing look and will impress you from behind.

# TWO-YEAR-OLD BULLS

## • Lots 91-180 •

The spring two-year-old bulls are born in the late calving group in April/May. They are slowly grown on a high roughage diet through the first winter and graze on pasture the following summer. This ensures they develop as rugged, athletic breeding bulls for your program. They are ready for heavy service this spring.

An easy-doing, calving ease bull with extra frame and length of body. Dam has very strong in-herd ratios. Granddam is a Dam of Distinction.

### Indexes Explained

#### BALDY MATERNAL INDEX (BMI)

BMI is a maternally focused index that is based on a production system that uses Hereford x Angus cross cows. This index uses Sustained Cow Fertility, Weaning Weight, Mature Cow Weight, Milk, Dry Matter Intake, Carcass Weight, Marbling and Rib-eye Area. This index is geared to identify Hereford bulls that will be profitable when used in a rotational cross with mature commercial Angus cows.

#### CERTIFIED HEREFORD BEEF INDEX (CHB)

CHB is a terminal sire index that is built on a production system where Hereford bulls are mated to mature commercial Angus cows where all progeny will be targeted for the finishing phase. This index uses Carcass Weight, Marbling, Rib-eye Area, Average Daily Gain, Dry Matter Intake and BackFat.

# REGISTERED HEIFERS

## • Lots 201-230 •

These heifers are selected from the heart of our replacement pen. They are maternal and practical and many have breed leading EPDs. With the strong cow families behind them, we hope they will prove to be valuable breeding pieces in your program.

# 220 HEREFORD HEIFERS

## From the #1 Dams of Distinction Herd

At the end of the bull sale, 220 open Hereford heifers will sell from straight off our replacements. This is an outstanding set of heifer calves that will make some excellent mother cows. You'll find them easy fleshing, well-pigmented and consistent throughout. They are bred to be maternal while still carrying the same carcass potential as their bull mates.

They have had all their health vaccinations, including a Bangs and pre-breeding shot. They have been dewormed and recently poured for lice. Any heifers in the sale can be registered, if desired. Just let us know at the time of settlement and we will get them registered and transferred to you at cost for \$40/hd.

### - HOW THESE HEIFERS SELL -

#### *The Top Cut*

The top cut will be sold first with the option to pick one or more. These premium heifers will have EPDs and actual information available before sale day. You can find this information prior to sale day at [rauschherefords.com](http://rauschherefords.com) on the 2025 Bull Sale page.

#### *Remaining Heifers*

The bulk of these heifers will be sorted into load lots based on weight and sold in groups of 5 or more — gate cut.

Contact Jacob Rausch at 605-769-0552 with any questions about how these heifers sell.

Homozygous polled. Timeless was the high selling bull in Hoffman's 2023 spring sale. His progeny are moderate framed cattle that blow the doors off in terms of performance and capacity. They have a rugged, yet practical and easy-keeping look. He is a great natural breeder with excellent foot quality and disposition.
