Welcome to SCHERBENSKE ANGUS RANCH

We would like to welcome you to our 47th annual production sale!

Ranching and raising Angus cattle is what we love, and it is the only thing we do. Our registered and commercial cow herd is made up of eye catching, deep-bodied, long-sided, hardworking females that must pass a strict cull for economically sound traits, such as longevity, fertility, fleshing ability, disposition, udder quality, and structural correctness. After a cold, wet spring, we moved into a summer without rain, which carried into the driest fall ever. Despite this, our cows stayed in great shape, bred back on time, and still brought in a heavy set of calves raised on dry grass, their mother's milk, and no creep feed.

Our family is working hard to provide you with the bulls and heifers to raise efficient, high performing cattle. Whether you sell your calves at weaning, feed them to finished weight, or keep replacement females, we want to provide cattle with excellent genetics to be the most profitable for our customers. We expect our calves to have a high rate of gain and feed efficiency when they are put into a feedlot, and ultimately hang a carcass that will achieve premiums from the packers. We have been finishing our own commercial cattle and have been impressed with the premiums we've receive for the high percentage of high choice and prime carcasses they have yielded.

We are proud of this year's sale offering and feel there are cattle here to fit anyone's budget while meeting the quality standard of any operation. In today's cattle industry, we understand the need to have breeding livestock with excellent feet and leg structure. The bulls and heifers have been developed on a high roughage ration to mature into sound, problem free cattle for the herd they will go into. We stand behind our cattle and want all of our customers to be satisfied with their purchases. We offer a first-year breeding guarantee on all bulls, subject to injury or death.

Again, we're exceptionally proud of the heifers we're offering in our sale! Our female replacement program has the reputation of producing heifers that are highly productive with low inputs, will produce a big calf, and have the genetic longevity to remain in your herd.

Our repeat bull and heifer customers have proven to us the success they have had with our program. We value the many friends that we have met while being in the Angus business and look forward to making new friendships. We would like to thank all our family, friends, and neighbors for all the help you have given us throughout calving, branding, weaning, and sale time.

Thank you for your interest in our production sale. If we can answer any questions, please feel free to give us a call. We would like to invite you to join us for hospitality and supper the night before the sale at 7:30 pm in Mobridge at KT's Fireside Lounge. We look forward to seeing you on sale day!

Sincerely,
The Scherbenskes
