Welcome to

SCHERBENSKE ANGUS RANCH

We would like to welcome you to our 50th annual production sale!

Ranching and raising Angus cattle is what we love, and it is the only thing we do. Our registered and commercial cow herd is made up of eye catching, deep-bodied, long-sided, hardworking females that must pass a strict cull for economically sound traits, such as longevity, fertility, fleshing ability, disposition, udder quality, and structural correctness. Our cows are expected to stay in good shape, breed back on time, and bring in a heavy set of calves raised on grass, their mother's milk, and no creep feed.

Our family is working hard to provide you with the bulls and heifers to raise efficient, high performing cattle. Whether you sell your calves at weaning, feed them to finished weight, or keep replacement females, we want to provide cattle with excellent genetics to be the most profitable for our customers. We expect our calves to have a high rate of gain and feed efficiency when they are put into a feedlot, and ultimately hang a carcass that will achieve premiums from the packers. We have finished our own commercial cattle and have been impressed with the premiums we've receive for the high percentage of high choice and prime carcasses they have yielded.

We are proud of this year's sale offering and feel there are cattle here to fit anyone's budget while meeting the quality standard of any operation. In today's cattle industry, we understand the need to have breeding livestock with excellent feet and leg structure. The bulls and heifers have been developed on a high roughage ration to mature into sound, problem free cattle for the herd they will go into. We stand behind our cattle and want all of our customers to be satisfied with their purchases. We offer a first-year breeding guarantee on all bulls, subject to injury or death.

Again, we're exceptionally proud of the heifers we're offering in our sale! Our female replacement program has the reputation of producing heifers that are highly productive with low inputs, will produce a big calf, and have the genetic longevity to remain in your herd.

Our repeat bull and heifer customers have proven to us the success they have had with our program. We value the many friends that we have met while being in the Angus business and look forward to making new friendships. We would like to thank all our family, friends, and neighbors for all the help you have given us throughout calving, branding, weaning, and sale time.

Thank you for your interest in our production sale. If we can answer any questions, please feel free to give us a call. **We would like to invite you to join us for hospitality and supper the night before the sale at 7:30 pm in Mobridge at Bingers Bar & Grill (formerly KT's Fireside) while we celebrate our 50th Anniversary Sale!** We look forward to seeing you on sale day!

Sincerely,

The Scherbenskes

COMMERCIAL HEIFERS

150 HEAD OPEN COMMERCIAL HEIFERS

All open heifers have had a 7-way Somnus and Pyramid 5 Plus Pre-sponse shot in the spring and fall, poured with Clean-Up II, and have been dewormed. Heifers have been Bangs vaccinated and given Vista 5 VL5 and Vision 7 Somnus with Spur. These females are all home raised, and will make great replacements in your production herd.

250 HEAD COMMERCIAL BRED HEIFERS

These heifers are naturally bred to calving ease Scherbenske Angus bulls. Each heifer has been ultrasounded and color tagged for three 21-day calving intervals, beginning April 1, 2026. They have been poured with Clean-Up II and are on the Scour Bos program. Heifers will be preg-checked the day before the sale.
