Welcome to the 2024 SD Excellence Sale

We are excited to return to the Dakotah Bank Center for the 2024 Edition of SD Excellence Sale. Breeders are once again bringing from the top of their herds! The heifers will compete in the show ring, but more importantly offer genetic value as an addition to any cow herd. The steers will compete at any level. Once again all lots have been videoed and the sale will be broadcast on The Livestock Link.

We appreciate your interest and look forward to seeing you in Brookings!

LOT 20

DBP The big 1/2 sister to our other 2 consignments. M420 is a long, stout, dark red female with a big set of running gear. Mix that with her correct build & you have something that will perform & remain useful for years to come.

These embryo calves came in a little green but they're doing the right things. M419 & M421 are full sibs to Chesney Effling's "Jade" that was shown a couple of years ago, rounding out her career being selected as champion cow/calf pair at the 2023 NJHE. Their skeleton, body, and look are just right. Both of them have good, soft hair to go with it. Give these younger heifers a little more time on feed & you won't be disappointed. M419 is horned, while M421 is scurred.

DBP This is an excellent daughter of RH Lockwood 025, she is very clean fronted heifer that has a great show ring look with a big middle & sound!! She will be a super cow, love her freckles!!
