Sletten Angus

BOX 615 FAITH, SOUTH DAKOTA 57626 605-967-2238

Welcome to Sletten Angus 37th Annual Sale!

It's been a great year to be in the cattle business! Record high prices paid for calves and bred cows. It's been needed for a long time. We pray and hope it stays this way for a few more years.

For a number of years we have been focusing on efficiency with performance. We have been seeing a gain on that for several years. This year in the first 60 days the bulls had a record gain on the same amount of feed that has been fed for years. Again this year the heifers are gaining more than they should with minimal feed.

A good friend of ours, Brooke Hershey, used to say, "the sole purpose of beef cattle is to convert forage into a saleable product." Sletten Angus cattle are highly efficient and provide an extra premium with their carcass qualities.

It makes us feel like we're doing something right when people using our bulls top the market with high weight calves.

Stop in anytime.

Sincerely,

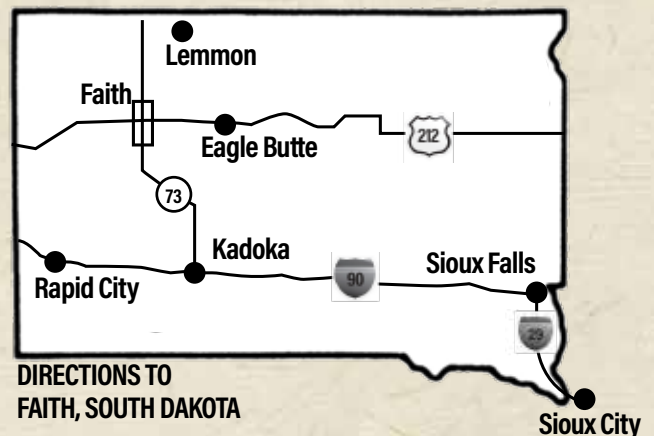

The Slettens
John Sletten & Family
