

Dear Beef Producers,

Welcome to our annual Angus bull sale at Platte Livestock Market in Platte, SD on Friday, March 25th, 2022 at 1:00 PM. We only sell two year old Angus bulls. We believe it is more valuable to offer a product that has been developed properly than to sell the bulls as yearling. The development of these bulls results in a more mature sire. Our customer's cows will be serviced more efficiently; there will be less hassle conditioning the bull after the breeding season; and, finally, a more structurally sound animal is being bought. Please feel free to contact us if you have any particular questions about the development of these bulls.

As always the bulls being offered on this year's sale can be viewed at our place ahead of the sale. If it works that you can make it before the sale, we would encourage you to stop. The bulls will be videoed this year. Early in March videos will be available at [www.thelivestocklink.com](http://www.thelivestocklink.com) or through our website [www.varilekctangus.com](http://www.varilekctangus.com).

We will be utilizing CattleUSA to view and or bid on the sale bulls as Platte Livestock uses CattleUSA to broadcast their weekly sales. Please contact the barn or Tess if you have questions on how to view or how to get set up to bid. Many of you already have access if you have submitted to bid already at Platte Livestock or if you got set up last year's sale. Thanks for your interest!
