

Dear Beef Producers,

Welcome to our annual Angus bull sale at Platte Livestock Market in Platte, SD on **Friday, Dec 16th, 2022** at 1:00 PM. We at Starr & Varilek Angus decided to move our annual bull sale from the last Friday in March to this new date. A couple of reasons really drove us in the direction. First was to get away from calving season. We also know from our customers that it also impacts their ability to make sale day always work for them as well. The second reason is our intention to offer quality bred heifers. We know the transition to December is a big move and we encourage you to give Duke or Tom a call if you have any questions or concerns about how it will impact your program.

Starr & Varilek Angus will take the bulls home and winter the bulls just as we would if the sale would have been held at the end of March. If you want to take the bull home today, you will receive a \$200.00 discount/per bull. We will begin delivering after the first of April just like we have done in the past years.

Our program at Starr & Varilek Angus is to only sell two year old Angus bulls. We believe it is more valuable to offer a product that has been developed properly than to sell the bulls as yearling. The development of these bulls results in a more mature sire. Our customer's cows will be serviced more efficiently; there will be less hassle conditioning the bull after the breeding season; and, finally, a more structurally sound animal is being bought. Please feel free to contact us if you have any particular questions about the development of these bulls.

The bulls being offered on this year's sale can be viewed at our place ahead of the sale. If it works that you can make it before the sale, we would encourage you to stop. The bulls will be videoed by the crew at The livestock Link. Please watch for videos on our website (www.starrandvarilekangus.com) or at www.thelivestocklink.com. Feel free to contact Duke if you have any questions or need more information about our program and data on individual bulls.

We will be utilizing CattleUSA to view/bid on the sale bulls as Platte Livestock uses CattleUSA to broadcast their weekly sales. Please contact the barn or Tess if you have questions on how to view or how to apply to bid. Many of you already have access if you have submitted to bid already at Platte Livestock or if you got set up in the past to bid. Thanks for your interest!
