WELCOME TO OUR 52ND ANNUAL PRODUCTION SALE!

Our pleasure to welcome you to our 52nd annual sale. Your presence will be appreciated on April 18, 2020 to view the offering, enjoy lunch and meet with other good cattlemen. If you cannot attend please view our web-site or participate on DV Auction online or make arrangements to be on the telephone.

Past support of customers is most appreciated and we want to make your purchasing opportunity as easy as possible. Our highlight, each year, is to welcome new cattle producers and the opportunity to assist in their evaluation and buying needs.

Many cattle are sold on a first impression. We like to produce cattle that will present a good profile, be fault free, pigmented, wide based, long down the spine, good muscle shape with strong performance and carcass numbers.

Environment always play a big part in the cattle production business. This calf crop was born in the worst conditions possible; the winter and spring of 2019 were extremely cold, windy and with a good supply of snow.

We think the extreme weather caused our birth weights to increase. At this writing, our BW's are down 10 pounds from last spring.

It is our pleasure to invite you to the sale. Your interest and support are greatly appreciated. Let us know what we can do to make your selection process easier.

The cattle are for viewing anytime and our cowherd is close by. We look forward to seeing you sale day or join us online. Stop by for lunch and visit with other good cattlemen.

—The Stubers

PS: PRE-SALE Get-together Friday night at the Bowman Lodge & Convention Center on Hwy. 12 from 6:30 to 9:00 pm. Hospitality and Food! **AFTER THE SALE** Steak Supper at the Bowman Country Club on Saturday night for customers and sale help!

Immortal impact on our breeding program. He died this last summer at the age of 9+ years. His legacy will have influence for years through his daughters and sons. Sensation continues to be the Breed's calving ease bull ...calves come 5 to 10 days early, have vigor in their nursing ability. His calves have wide and long loins, thick tops, good muscle shape to the quarter and top line, stand on good bone, nice hair coats and "eye appeal." Daughters may be his biggest asset. Good milk flow, level, small teats, good dispositions and calve early. He's truly the "Answer Bull" to many breeding decisions. Look at his EPD profile, he excels in many trait areas! Owned with Churchill, Upstream, Van Newkirk. Semen available from any owner.

Another bull that is no longer with us, but has left a long-term impact. Low BW sire with good muscle shape, strong top, pigment, wide loin with some good numbers. Stout, thick with good growth, super milk and balanced carcass numbers. 0130X was the top selling bull in Cooper's 2011 sale. Dam is one of Mark's most productive cows. Daughters look very productive with superb udder shape and great disposition. Many sons are being used in purebred herds successfully. Gives an EPD profile that can be used in many programs. Owned with Churchill, Cooper and Bowen. Semen available.

First calf crop confirms him as one of the great breeding bulls used on the Ranch. A son, Lot 30 in last year's sale purchased by Hoffman and Buck, was Supreme Champion Hereford bull in Denver 2020. Offspring are deep sided, thick and wide with a soft-look rib cage. All offspring show good bone, extra muscle shape, correct made with a lot of eye appeal. Production numbers are almost ideal with low BW and powerful growth numbers. Carcass data is above average with plenty of milk. Used on heifers with great success. Daughters has calved with ideal udders, efficient with good mothering ability. Owned with Baumgarten. Semen available.

A rising star in our program. At press time, the Breed's only bull with this much YW, REA, MARB, carcass weight and calving ease ...all important to a productive commercial breeding program. Daughters are calving with good milk, mothering ability, small teats and level udders. He's a maternal powerhouse backed up by outstanding females. Offspring are thick down the back and loin with excellent muscle shape into his quarter, body length, muscle, strong backs, correct structure. Performance is outstanding! Owned with Churchill, Cooper, Krebs & L Bar W. Limited semen.

"Stockman" is a sire that we think you will like what he is breeding. A moderate framed bull that has comes out of the pasture weighing around 2500 pounds. He is extremely long, has terrific muscle shape, stands on big bone, moves free with a long stride and presents a good profile. His offspring mirror his pattern and he is consistent in his production. You have to appreciate his fleshing ability, his "look" and breed character and his improving carcass data. Daughters have fantastic udder and teat shape. Owned with Ned & Jan Ward, Colyer Herefords, B&C Cattle. Semen available.

Fantastic son of Indigo with outstanding performance numbers ...excellent REA and CHB! A 2012 sale top seller to Pied Piper where he was the top gaining bull with a long back, wide-deep quarter and a good, curly, yellow coat of hair. Clean fronted and muscular with shape and stands on good bone. Dam was a good uddered female at 14 years of age with a good record. She was thick, deep sided, full of muscle and made right. Daughters have good udders and milk flow. Co-owned with Pied Piper. Semen available.

Son of Indigo 1181Y and top selling bull in our 2014 production sale to Doyle, Churchill and Van Newkirk. His weaning, yearling, REA and CHB EPDs are right at the top of the charts. Ultrasounded an 18.5 REA. Yellow, curly haired, short marked, wide based, walks wide and presents a deep, wide quarter. Full eye and scrotal pigment with good testicle size. Daughters are the feminine-productive kind with milk flow and mothering ability. Dam has a good production record. Owned with Doyle, Churchill, Van Newkirk, Mmak. Semen available.

Home raised son of Navarro that has impact in our herd and with our partners. He gives you the Rancher's kind of production. Big hiped, wide based, deep sided, marked right, bone, wide based, real gentle. Was the high gaining bull at right at 4.5 lbs. per day. Milk and big scrotal. His Script momma is a good one! Take a look at his EPD profile. His offspring have explosive growth, good muscle shape, great performance numbers and give you the look of productive cattle. Daughters are very productive. Semen available.

This calf crop truly establishes 697 as a breeding bull. His offspring have eye appeal, great numbers, calving ease and, by sale time, should have an idea on his daughters milk flow and udder structure. Fantastic set of BW, growth and milk numbers with outstanding carcass and calving ease. Used on heifers with ideal success. Moderate in his frame, correct made, ideal hair coat, google-eyed and presents a good first impression. All of his production are from first calf heifers.

One of the very top bulls in Denver 2014. Huge hip with a deep quarter. Super long and thick down his top line. Good balance in his make up with rib. Short marked with eye pigment. Good milk. Strong performance, large scrotal, sheath up, good bone and a large REA. Certainly the "Rancher's Kind" with look, growth, milk, moderate BW and carcass. His offspring are consistent in their pattern and some daughters sure have the cow look with good udders. Owned with Baumgarten, Loehr. Semen available.

Calving ease bull with growth, performance and good carcass profile. Long, correct, trim fronted, great hair coat. Deep quartered, free moving, light colored with good numbers. Check his CED. From a maternal cow family and in Breed's top 5% in eight-traits. Pigmented. Co-owned with Cooper and Van Newkirk. Semen available.

SR Yearling Sale Bulls

EPDs current: March 9, 2020

The 2020 sale offering presents new sire groups for your consideration. All the new sires have done a good job, but we are very pleased with Remedy 7295E, JA 6904D, H Go Advance 6415 and Tactic 6451D, for their outstanding production. Eight of the sale bulls have been genetically enhanced tested ...GE-50K symbol is on their picture.

Environment always plays a big part in the cattle production business. This calf crop was born in the worst conditions in recent memory ...the winter and spring of 2019 were extremely cold, windy and with a good supply of snow.

BW **93** / ADJ. 205 **824** / Smooth Polled. Polled breeders take a look! ...red eyed, super volume, full rib, deep side with a good side profile. Sheath up, real wide end to end, full and deep quarter, muscle expression down his back, moves free, long side and stands on good bone. Dam's production record is superb ...MPPA 108.6, WW 105, YW 115. EPD's show growth, milk and carcass. Dam a near perfect udder.

BW 94 / ADJ. 205 **692** / Polled with scurs. Carcass supreme with calving ease and a growth package. Good pigment and good testicle size. Enormous rib area with a deep side and long top with even width end to end. Shows muscle shape at the hip and into his quarter. Dam is productive.

171's Sire:
NJW 73S W18 Hometown 10Y
...used A.J. from the Ward
program in Wyoming.
A tremendous sire for volume,
thickness, deep side and
massive look. Daughters have
neat udders and the cow
look!

Stuber Registered Heifers

This offering of productive females is as good as we have ever offered. There EPD profile is similar to ones we keep with top-end heifers offered from each sire group. You'll find females that are easy to look at, have exceptional EPD's, extra milk, ample pigment and, in most cases, good carcass data. They are "Bangs" vaccinated and have had all of their preconditioning and pre-breeding shots. Heifers are in good condition and ready to breed to your bull of choice or if you A.I., **we will offer two straws of semen on any herd bull we own to use on the heifers. If you don't pick up semen at the ranch, you will pay shipping costs. Certificates will be based on cost or the price of certificates we have on our partnership bulls.**

Stuber Ranch Commercial Heifers

**SELLING: 70 COMMERCIAL HEREFORD HEIFERS
30 BWF F1 COMMERCIAL HEIFERS**

The commercial sale heifers are all home raised from our commercial cowherd. Most of the black baldy heifers come from our first calf heifers. A fancy set of broody females with milk, muscle and enough growth, they have been wintered on a growing ration with their future use in mind and will be in just the right condition. They should weigh in the 825 to 900 lb. range. All are Bangs vaccinated and have had all of their preconditioning procedures. They will also have all of their breeding shots by sale day.

NO DELIVERY is provided on the commercial heifers, but we will be happy to help you make arrangements.

CONDENSED AMERICAN HEREFORD ASSN. EPD DEFINITIONS

CALVING EASE – DIRECT (CE) ...indicates the influence of the sire on calving ease in females calving at two years of age.

BIRTH WEIGHT (BW) ...indicator trait for calving ease measured in pounds.

WEANING WEIGHT (WW) ...estimate of pre-weaning growth measured in lbs.

YEARLING WEIGHT (YW) ...estimate of post-weaning growth measured in lbs.

MATERNAL MILK (MM) ...milking ability of a sire's daughters is expressed in pounds of calf weaned.

MATERNAL MILK & GROWTH (M&G) ...reflects what the sire is expected to transmit to his daughters for a combination of growth genetics through weaning and genetics for milking ability.

MATERNAL CALVING EASE (MCE) ...predicts how easily a sire's daughters will calve at two years of age.

MATURE COW WEIGHT (MCW) ...MCW EPD was designed to either increase or decrease mature size of cows in the herd.

UDDER SUSPENSION (UDDR) ...represents an assessment of udder support.

TEAT SIZE (TEAT) ...the assessment of teat length and circumference

SCROTAL CIRCUMFERENCE (SC) ...best estimate of fertility for semen quantity and quality and indicates early puberty in sons and daughters.

SUSTAINED COW FERTILITY ...a prediction of a cow's ability to continue to calve from age three through age twelve, given she calved as a two-year-old.

DRY MATTER INTAKE ...predicts the daily consumption of pounds of feed.

CARCASS WEIGHT (CW) ...indicates pounds of hot carcass weight, if harvested at the same age constant endpoint.

RIB FAT (FAT) ...reflects differences in adjusted 365-day, 12th-rib fat thickness. Negative FAT EPDs are expected to produce leaner progeny.

RIBEYE AREA (REA) ...reflects differences in an adjusted 365-day ribeye area measurement based on carcass and ultrasound measurements.

MARBLING (MARB) ...reflects differences in an adjusted 365-day marbling score (intramuscular fat, [IMF]) based on carcass and ultrasound measurements.

BALDY MATERNAL INDEX (BMI\$) ...a maternally focused index that is based on a production system that is geared to identify Hereford bulls that will be profitable when used in a rotational cross with mature commercial Angus cows.

BRAHMAN INFLUENCE INDEX (BII\$) ...a maternally focused index that is based on a production system that uses Brahman x Hereford cross cows.

CERTIFIED HEREFORD BEEF INDEX (CHBS) ...a terminal sire index that is built on a production system where Hereford bulls are mated to mature Angus cows and progeny will be targeted for Certified Hereford Beef to allow for optimum end-product merit. This index has no emphasis on fertility.

FULL DEFINITIONS POSTED INSIDE STUBER RANCH SALE BARN

TERMS AND CONDITIONS

TERMS — Terms of the sale are cash. Every animal will be sold to the highest bidder with the auctioneer settling disputes as to bids. Announced changes in catalog information sale day take precedence over printed material in this catalog. All cattle are the buyer's property as soon as sold and will be cared for a reasonable length of time at the buyer's risk. Neither Stuber Ranch nor any person connected with this sale assumes any liability, legal or otherwise.

GUARANTEE — Every animal in this sale is, to the best of our knowledge, free from any disease or defect. Any known defect will be called at sale time. All animals are guaranteed breeders. If an animal fails to breed after a trial of six months, it may be returned to the seller if in good condition and in compliance with North Dakota Health Regulations. The seller reserves the right to try said animal for six months, and if it proves a breeder, return it to the buyer at the buyer's expense. If the animal proves to be a non-breeder, either an animal of comparable rank will be substituted or credit given in a future sale on an animal for animal basis. We assume no liability, legal or otherwise, to make any further compensation to the buyer. No other warranty of any nature is expressed or implied.

DELIVERY — Delivery will be made in groups of five registered animals or on purchases of \$5000 or more to central points up to 300 miles. We will cooperate with buyers on delivery of all cattle regardless of number or distance. **NO DELIVERY provided on commercial cattle.**

ABSENTEE BIDS — Anyone wishing to bid who cannot attend the sale may place phone or mail bids by contacting Roger or Duane Stuber, or any listed sale representative. Sight-unseen purchases are at the buyer's approval upon receiving the animals.

HEALTH — Stuber herd health is excellent. North Dakota is Bovine Brucellosis-Free and accredited Bovine Tuberculosis-Free. Females are officially calfhood Bangs vaccinated. Individual health papers will be furnished for shipment anywhere. All cattle are on a complete preconditioning program.

PERFORMANCE — Cattle are on a complete performance evaluation program with records kept on about every thing that can be measured. We will provide any extra information you may need. We are recognized by the American Hereford Association as a **Gold Star Breeder**.

ULTRASOUND — Sale cattle will be ultrasounded and data provided on a supplement sheet and on our website. There is a strong correlation between ultrasound measurement of yearling breeding cattle and the actual carcass measurement of their progeny. We have years of ultrasound data and all sale cattle have carcass EPDs. If you desire, that information can be provided.

Catalog prepared by Lezlie Moore 605/683-4800.

Laureen and Wendy attended this year's The American to cheer for their favorite cowboy Cole Elshere! Cole made us all proud as he spurred his way to the Championship Round!

At last year's sale, Cole and cousin Rowdy Benson ...both purchased heifers!

Saddle Bronc Qualifier!

STUBER RANCH

Five generations, 111 years on the same ranch,
89 years in the seedstock business and 52 years of retained ownership!

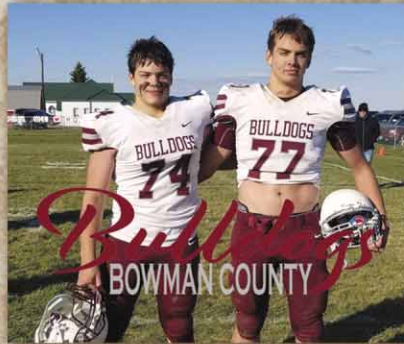

MITCH WAYNE STUBER

Class of 2020

Mitch, 195 lb. class, finished 4th at the 2020 State Wrestling Tournament!

BOYS OF FALL ...brothers Mace and Mitch were teammates on the Bowman County Bulldogs!

Duane and Dana accompanied Mitch when he received his FFA degree at the 2019 State Convention! Mitch earned many honors ...All-State Football, Boys State, Boys Nation, National 4-H Leadership convention delegate!

Flashback to 2016 when Mac was a senior and Stockman was a willing participant on photo day! Mac is home on the ranch and knows the Herefords better than anyone other than Roger!

Mika and her Grand Champion Breeding Doe, 2019 Bakken Classic!

Mace with his Grand Champion Steer, Slope Co. Fair 2019!

STUBER RANCH

...A busy place where the kids are growing up way too fast and time just can't stand still even in this quiet part of the country! Our Herefords are on the move, too; calving is in full swing, activities are geared to be ready for sale day and we all wonder which bull might go on to be a Champion!

Dominate Dominates Denver!

Thanks to Hoffman Ranch and Buck Cattle Co. for purchasing our 2019 Top Selling Bull and showing him to earn the 2020 Denver NWSS Supreme Championship!

SR DOMINATE 308F ET • BCC Dominator 619D x Churchill Lady 1162Y

• A massive made bull with the range bull look that was competitive in the Show Ring. Free moving, clean fronted, long sided, full rib, wide back and exhibits ideal muscle pattern in his quarter and down his back. Shows eye appeal with his head up on his smooth shoulder, correct feet and leg structure, good markings, pigmented eyes and has the ability to show presence with his look. Dam is a fantastic cow with a good udder, correct made, trim fronted, marked right and productive. We are anxiously waiting his first calves this fall. Co-owned with Hoffman and Buck.

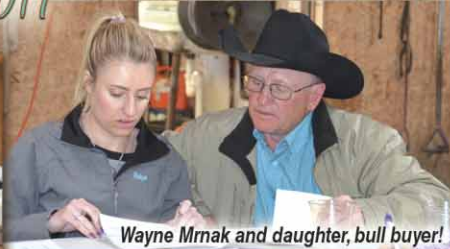

Dam 1162Y
at age 9!
