

BULL AND FEMALE

REGISTERED HORNED HEREFORD BULLS & HEIFERS | BLACK ANGUS HEIFERS

DECEMBER 19

Sale

Sale Information

THREE HILLS RANCH & WEST RANCH

Dear Friends and Fellow Cattlemen,

We would like to take this opportunity to thank you for showing interest in our cattle and breeding program offered this year at our 5th annual bull and female sale. Our family strives to provide quality cattle that are structurally correct with breeding soundness to enhance any herd.

Over the years, we have strived to build a herd of Hereford cattle that will exceed any expectation. Structural correctness, perfect teat and udders, breeding soundness, and docile cattle that produce large calves are the type of herd we aim to create. Our bulls this year have bone, muscle, and lots of eye appeal. They travel sound and will bring any commercial cattleman breeding predictability, uniformity, and longevity to your cowherd.

Currently, we run 450 cows, half are registered Herefords. Three Hills and the West Ranch Hereford bulls are utilized on our commercial Angus herd; those calves are retained until slaughter to monitor performance and carcass data. As a multi-generational family that works together tirelessly, we are very proud of the herd we have created thus far.

We look forward to building relationships with all of you that will continue throughout many years to come. We would like to thank you again for your interest and consideration. If you have any questions or if we can be of any help during your decision-making process, please feel free to reach out at any time. We hope to see everyone on Friday, December 19th, at the Morehead Ranch, 18315 Bernard Rd, Baldwin, IA.

Thank you,

The Morehead and West Family

CATTLE VIDEOS:

Cattle videos are available for viewing now at www.threehillsranch.com

HERD HEALTH:

All the cattle will be ready for immediate shipment and accompanied by proper health certificates. Three Hills and the West Ranch have full vaccination programs. Complete ultrasound and performance records will be available on or before the sale date. Pregnancy status will be announced at sale time.

BREEDING GUARANTEE:

The bulls will be given a semen test and breeding soundness exam prior to sale, with scrotal measurements. We guarantee the first 60-day breeding season. In the event that an adjustment is necessary, it will be made with a suitable replacement or credit at the next Three Hills and West Ranch sale. No adjustments after 6 months.

TERMS & CONDITIONS:

The cattle will sell under the standard terms and conditions as recommended by the American

Hereford Association. The animal becomes the property of the purchaser as soon as sold. Any death or injury thereafter falls upon the buyer. Three Hills Ranch will provide housing and care for your bull until April 1st with a \$5.00 per day fee.

PAYMENT TERMS:

All sales are cash unless arrangements are made with the seller prior to the sale. Full payment is required prior to delivery or transfer of registration papers.

DELIVERY:

Free delivery on bulls \$5000 or more within a 300-mile radius. Three Hills and the West Ranch will make every effort to coordinate and or help with any other deliveries. Day of sale, receive \$100 credit on any bull picked up sale day or the next day.

ABSENTEE BIDS:

Any person unable to attend can place a bid through David, Luke, or any of the listed sale representatives.

LIABILITY:

All persons attending the sale and related functions do so at their own risk. Three Hills and the West Ranch, nor any person connected to this sale, assumes any liability, legal or otherwise, for any accidents or injuries that may occur.

CATTLE AVAILABLE TO VIEW:

Cattle will be available to view at Three Hills Ranch and the West Ranch any time before sale. Please contact David or Luke to make appointments.

December 19th, cattle will be available to view starting at 2 pm and the sale will begin at 6 pm.

912 is a standout individual in phenotype and performance. His calves have recorded an amazing 113.2 on weaning index and 104.7 on yearling index. 912's dam is the 2022 Holden cow, one of their all-time top cows. She is highly related to our 6212D herd sire. Tremendous maternal power in these herd sires.

58 straight Angus heifers AI bred to TH Advance 6212, a leading calving ease Hereford sire, and cleaned up with Angus sons of Spring Hope Lion.

BLACK BRED HEIFERS

Three Hills Ranch and the Morehead family are no strangers to the livestock industry. We've been involved in production livestock and breeding since the 1950's ... and we're still going strong today.

It started back in the 1950's when David's grandfather, Ray, bred and raised the State Champion Chester White Boar. Now, we continue that tradition by raising award-winning bucking horses by select and line breeding, using some of the most sought after horses in the industry.

Our love for the Hereford breed started in the 90's through acquisition of the D.L. Stevens herd and continues today in large part to the opportunity to purchase a majority of the Jim Baker herd. We have acquired 50 years of Jim's Hereford genetics, along with his expertise, willingness to mentor, and love for the industry. Our herd has also continued to grow with the friendships and genetics of the Holden, Cooper, Johansen, and Van Newkirk lines.

David's son, Jake, and his son's, Sam and Cade continue to work together on the ranch building our brand. In addition, Dave's son-in-law, Luke and his family, has expanded the brand to their ranch in Northern Missouri.

Utilizing top of the line genetics and straight horned pedigrees, we work diligently to build on the best to develop above average traits. Structural correctness, along with good feet and udder quality are traits bred into our herd. We strive to produce the type of cattle that will have fertility, longevity, and economically sound premium traits sought after in the beef industry.
