Fellow Cattlemen,

I hope this letter finds you in good health. 2021 was a year that came with many challenges, navigating those challenges is a common thread all producers share large or small.

At Wagner Herefords we strive to produce the type of cattle that can meet your challenges head on. We strive to produce moderate birth weights and high growth genetics that help your bottom line. These genetics, used with crossbreeding ensures a calf that feeders, consumers and female buyers are looking for.

We look forward to your call or visit at any time.
