## Fellow Cattlemen,

My family and I are excited to share the 2023 offering with you! It takes an entire year's worth of work, from breeding decisions to calving, weaning, and feeding that our family has produced this crop of bulls to help your operation.

Selecting a herd bull is an important decision for your operation and we believe the bulls in this catalog demand your consideration. We work hard to produce the kind of cattle that thrive and grow under less than ideal situations that are common in our industry. I firmly believe that using a Hereford bull is the best way to produce an efficient crossbred feeder calf.

As always, I hope this catalog finds you in good health and spirits. We would love to host you at our ranch, get to know you and help you in any way possible. We look forward to your call or visit at any time.

*Reese & Elly Jo,*

*Weston, Jocelyn & Abby*
