

Wilken

+ Angus

Black Friday Fall Sale

FRIDAY, NOVEMBER 28, 2025

1:00 PM • AT THE RANCH, MEADOW, SD

Wilken

+ Angus

Sale Day & Time:

Friday, November 28, 2025 -- 1 p.m. MDT

Sale Location & Directions:

Wilken Ranch, Meadow, SD

Directions from the south: 3 miles west of Faith turn north on highway 73. Go 21 miles north on highway 73. Turn west on Happy Hill Rd. Go 5 ½ miles west on Happy Hill Rd. to Wilken Rock. Turn south. Go ½ mile south.

Directions from north: Jct of Highways 73/20 with Indian Creek Church on the corner and Isabel to the east. Travel south 9 miles on highway 73 to Happy Hill Rd. Turn west on Happy Hill Rd. Go 5 ½ miles west on Happy Hill Rd. to Wilken Rock. Turn south. Go ½ mile south.

Sale Day Telephone:

Gary Wilken: (605) 515-3786

Lori Wilken: (605) 347-1578

Auctioneer:

Doug Dietterle: (605) 580-1362

Delivery:

NEW this year are two options for delivery - *First Option:* Bring your trailer sale day and receive a \$100 discount per bull.

Second Option: We will deliver the bulls within a week or two after the sale.

Semen Testing

The bulls have all passed a fertility test by Dan Hines of Old West Ultra Sound.

Guarantee:

All bulls are guaranteed against injury or death through the first breeding season. If a replacement bull is not available when needed, credit will be issued for a future sale.

Volume Discounts:

Buy three bulls - 3% discount; four bulls - 4%; 5 bulls - 5%; on up to a maximum of 10 bulls - 10% discount.

Sale Day Reps:

Donnie Leddy, Cattle Business Weekly, 605-695-0113

Scott Dirk, Tri-State Livestock News, 605-380-6024

Dan Piroutek, Tri-State Livestock News, 605-544-3316

Mason Dietterle, 605-580-5878

Lunch:

Complimentary lunch beginning at 11:00 AM.

Zoetis 50K Genetic Testing:

The bulls were HD 50K tested through Angus Genetics Inc. (AGI). 50K testing uses a sample of each of our bull's DNA to dependably determine their genetic potential. The results are in percentile ranking. The bulls have all been sire verified through the 50K genetic testing.

See page 4 for more information on 50K genetic testing information provided.

Individual Docility Score:

We have instituted a docility score that is specific to our bulls. This is not a percentile. It is a subjective score derived from our personal evaluation of each bull. A bull would have to be rated 1-3 in order to qualify for our sale.

- | | |
|----------------------|----------------------|
| 1 - Extremely Gentle | 4 - Flighty |
| 2 - Docile | 5 - Aggressive |
| 3 - Restless | 6 - Very Aggressive. |

Our Vision

We desire to equip our customers with the most profitable seed stock in the industry, through exclusive use of high accuracy AI genetics and rigorous culling of our cow herd. Our goals of consistent calving ease, easy fleshing highly maternal females, and moderate to high growth cattle with positive carcass qualities are in place to ultimately serve our customers with success through every cattle

Hello from Wilken Angus!

A big heartfelt "Thank You" to all of you who have come and supported our sale in the past as well as those who are considering our bulls for the first time. It is a privilege to be in this business and we value each and every one of you.

We are excited about this year's offering of our long aged bulls. The bulls were weaned, put on a growing ration, gaining 1 1/2 lbs through the winter, and put on grass the latter part of May for three months. We brought the bulls in the end of August when we put them on a high roughage growing ration under the supervision of nutritionist, Tyler Melroe.

Our program is backed by 22 years of exclusive AI genetics. We have strived to produce balanced cattle that will work in the pasture, feed yard, and on the rail.

One change in this year's sale is the options for delivery. Although we have been happy to winter bulls for our customers, it seems that the bulls do best when you take them home in the fall where they can adapt to their new homes sooner. The two options for delivery are: First option: bring your trailer sale day and receive a \$100 discount per bull. Second option: We will deliver the bulls within a week or two after the sale.

Also, new this year, we are selling 80 Angus bred heifers purchased from Darc and Collin Duprel. Find more information on p 34.

The sale is a video auction through Live-Ag. About two weeks prior to sale day, videos of each bull will be available on our website, www.wilkenangus.com. Online bidding will also be available through Live-Ag - for more information, see page 34.

These bulls all sell as commercial bulls to YOU, the best commercial cattlemen in the world! Our family looks forward to seeing you sale day! Have a great Thanksgiving with your family and we'll see you the day after. Lunch starts at 11:00 AM MST!

We don't want anyone to miss out on the most important thing which is the truth found in these Bible verses: John 3:16-17 says, "For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life. God sent his Son into the world not to judge the world, but to save the world through Him."

50K Testing Reference Info

Percentile Rankings Provided with Genomic Testing Results

Genetic testing results are provided in percentile rankings. The table on the right explains the traits and percentile ranks and what they indicate.

Percentile Breakdown

The percentile breakdown table below is designed for registered cattle with EPDs. However, we have used the table below as a resource on commercial cattle to help understand the percentile rankings for each bull. These percentile breakdowns are based on 1.2 million animals tested.

Trait	Percentile Rank	Observation
Calving Ease Direct (CED)	1%	More unassisted
Birth Weight (BW)	1%	More unassisted
Weaning Weight (WW)	1%	Heavier
Yearling Weight (YW)	1%	Heavier
Dry Matter Intake (DMI)	1%	Eat Less
Scrotal (SC)	1%	Larger size
Docility	1%	More docile
Heifer Pregnancy (HP)	1%	Increased pregnancy probability
Milk (MILK)	1%	More maternal milk
Carcass Marbling (MARB)	1%	Greater
Carcass Ribeye (REA)	1%	Larger
Foot Score Claw (FS CLAW)	1%	More ideal claw set
Foot Score Angle (FS ANGLE)	1%	More ideal foot angle

Use these powerful Tahoe sons for calving ease, improving carcass quality while adding eye appeal and dimension. He is a proven, multi-purpose sire that is one of the most complete bulls in the Angus breed. We used Tahoe for several years and really like the bulls but we went back and used him again because we loved the Tahoe females.

A sire that adds natural thickness, fleshing ability and maternal excellence. The bulls are consistent in body type and the heifers are feminine with a good look to them. Fair-N-Square's maternal grandmother bred AI first service for 11 consecutive years. He is a foot and udder improver. The two year old Fair N Square heifers that we calved this spring were gentle, big bodied, easy keeping with nice udders.

Although Final answer has passed away, his legacy continues to provide a combination of low birth weight and tremendous growth. It is topped only by his easy fleshing, fertile, great uddered daughters. Final Answer's weaning value combination is at the top of the breed and will make for a lower input cow herd. The Final Answer daughters are consistently easy fleshing, fertile, and with good udders. They are lower input cattle.
